

## Become a Business Member

Friends of the Libraries of Towns County (FOLTC) is a non-profit organization whose mission is to provide financial support for Mountain Regional Library (MRL) and Towns County Public Library (TCPL) and to advocate for all public libraries.

Annual fundraising efforts focus on membership dues, bookstores at MRL and TCPL, book sales, bake sales, and donations. **All funds raised are given to the two Towns County libraries.** FOLTC strives to raise enough money each year to qualify for matching funds from the Towns County Commissioner's Matching Challenge Grant...doubling our giving power!

These funds are vital for the growth of the libraries' collections as the funds are used to purchase books, audiobooks, DVDs, and other resource materials, to support children's summer reading programs, adult programs, regional staff development, and other specially requested library needs.

As a Business Member, you can help support our libraries as they positively impact our communities, educate our future generations, and serve as valuable resources to each person in Towns County.

### **BUSINESS MEMBERSHIP LEVELS**
